MEMORANDUM FOR SMC/CV
SMC/CD

FROM: Air Force Program Executive Officer for Space (AFPEO/SP)

SUBJECT: Redelegation of Specific Contracting Authorities

1. As AFPEO/SP and Milestone Decision Authority (MDA) for Air Force space related non-Major Defense Acquisition Programs (non-MDAPs), I hereby redelegate to the Vice commander, Space and Missile Systems Center (SMC/CV), and to the Executive Director (SMC/CD), the following specific contracting authorities delegated to me by the Air Force Federal Acquisition Supplement (AFFARS) and USECAF memorandum, dated 22 April 2002. These redelegations are effective with my assignment as AFPEO/SP on 19 February 2002:

- a. For non-MDAPs, unless retained by USECAF or AFPEO/SP;
 - (1) Serve as MDA,
 - (2) Chair Acquisition Strategy Panels (ASPs),
 - (2) Approve Acquisition Plans (APs) and Integrated Program Summaries (IPSS), and
 - (3) Serve as Source Selection Authority (SSA).
- b. Serve as Source Selection Advisory Council (SSAC) Chairperson when USECAF is SSA;
- c. Approve Justification for Less Than Full and Open Competition (J&As) >\$10M to ≤\$50M;
- d. Approve Clearances;
- e. Approve the issuance of undefinitized contractual actions (UCAs) (both new work and within scope of the contract); this authority is not redelegable for UCAs >\$50;
- f. Serve as Fee Determining Official (FDO) for award fee contracts; and
- g. Approve Determination and Findings (D&Fs) "Establishing or Maintaining Alternate Sources" pursuant to FAR 6.202.

2. The Vice Commander and the Executive Director will in coordination with SMC/CC, exercise such authorities. These redelegations do not affect my authority to exercise (retain) any of the authorities redelegated or to issue instructions concerning the exercise of those authorities. These redelegations do not supersede any redelegations previously issued to a Single Manager or lower manager pursuant to an individual authorization section of the AFFARS. SMC/CV/CD may redelegate these specific authorities unless prohibited by the individual authorization sections of the FAR, DFARS, or AFFARS or future or past USECAF Space Acquisition Policy guidance.
